## Submit Your Pictures

There are a few conditions and if you do not agree to them all then please do not submit your pictures. By submitting any pictures you affirm that you have read the conditions and agree to them all.

**1:** You agree that [manor-fisheries.co.uk](http://manor-fisheries.co.uk) can publish your pictures on our web site and also use them in any advertising we may use such as banners or buttons.

**2:** You also agree to let [manor-fisheries.co.uk](http://manor-fisheries.co.uk) adjust your picture/s for brightness/contrast/sharpness and also cropping if we feel the picture/s needs it.

**3:** The picture/s were taken by you or you know the person who is in the picture and you have permission to submit them to [manor-fisheries.co.uk](http://manor-fisheries.co.uk)

**4:** The picture(s) was taken at Manor Fisheries and the fish were actually caught by the person in the picture.

**5:** The picture(s) has not been altered in anyway with digital software to make the fish appear bigger than it actually is.

**6:** [manor-fisheries.co.uk](http://manor-fisheries.co.uk) reserves the right to remove any picture(s) at any time without reason.

**7:** Submitting a picture/s is not a guarantee that they will get published on the site. If we feel the quality is not good enough and we can not correct it then it will not be published.

**8:** You will not hold [manor-fisheries.co.uk](http://manor-fisheries.co.uk) responsible should any of your pictures be copied and published on any other website or in any other media

You can only submit once picture at a time.

If you are happy with all of the above then please use the "**email your pictures button**" to submit your picture(s), simply attach the picture to the email and send. The only required information is "**Your Name**" but any additional information about your catch would be most welcome; including:

- **Your Name**
- Date
- Species
- Weight
- Lake
- Bait

If you do not know what lake you were on or the weight of the fish don't worry. Also if you would rather not say what bait you used that is fine as well although we would appreciate it as it may help others.
